15 May 2011

It is our joy and privilege to announce that Moneywise as game will finally be available in complete form as of this month. It has been a long journey of more than 5 year's development. Currently, the game has an accompanying, practical discipleship course (approximately 180 A4 pages) that stretches over 12 weeks and which is available in Afrikaans & English. The results of the game and course in practice remain phenomenal.

MONEYWISE PACKAGES:

1) MONEYWISE GAME:

The game will be available in the market for R2 500. Orders will be posted as soon as payment has been received.

2) Attend **COURSE** as part of discipleship **GROUP**: R300 p/p + traveling expenses + donation

Maximum results are reached when the game and course are attended in a group. Assemble a group of 12 people and we will present the complete course for the group. Should you be interested in being part of such a group, you can contact me at the above mentioned numbers.

3) Work through **COURSE (Afr. & Eng)** on your own without group: R500

4) Work through course on your own under my **PERSONAL MENTORSHIP** for 3 months. This will take place telephonically through e-mails and personal conversations and visits whenever possible.

- Course: R 500
- Mentorship: R 2 000

5) Reserve a **BANKER** to come and play the game as well as to teach and advise the group: R800 + traveling expenses.

6) Give **LECTURE** on financial freedom! R1000 + traveling expenses.

BECOME A MONEYWISE FACILITATOR!

The best part of Moneywise is to become part of a team of facilitators who help others to sort out themselves and their finances. After you have worked through the course in a group, you can present it to others. Become involved in the need of other people's lives. There is a two to three hour facilitator's training involved to become a presenter.

Blessings for you,
Arno & Marianne Claassen
